## GETTING THE SITE READY FOR THE NEW DEPOT.

F. D. Schemmerhorn, supervisor of bridges and buildings arrived from Omaha yesterday afternoon and at once began making arrangements for getting ready the site for the new depot. He instructed Foreman Murphy to secure all the men possible to level the old depot site preparatory to removing thereto the building now standing in the park, where it will remain until the new depot is completed. Mr. Murphy is hustling for men this forenoon, but as laborers in town are pretty well employed it is probable that it will be necessary to ship in men. The hotel site will be leveled to within two feet of the surface of the ground, and this depression will later be filled with soil and become part of the park grounds. The building at present used as a depot will be moved about forty feet west. The moving of this building as well as the dispatchers' building will probably be let to a local contractor. The freight depot will be moved about a block east, but this will not be done until the other preparatory work is completed.

It is understood the depot plans are now in the hands of contractors and bids for the construction will be submitted in a short time.

## Mrs. Lucas Passes Away

Mrs. Susie Lucas, wife of Dr. V. Lucas, died suddenly at her home on west Sixth street at 1:15 Sunday afternoon. For several years Mrs. Lucas had suffered with asthma and heart trouble and last fall contracted pneumonia from which she was since affected, and although her periods of illness were not constant, they were frequent and accompanied with intense pain. Less than a week ago she was taken ill and had been bedfast until Sunday morning, when she seemed to be stronger and requested that she be allowed to sit up. The request was granted and her condition was such that she walked to the veranda with her husband who had been called to the home of one of his patients, expecting to return within a half hour. During his absence her condition became serious and the Doctor was recalled by telephone, arriving a few minutes after the spirit had taken its flight. Mrs. Lucas was one of the most highly esteemed ladies in this city, prominent in church work and charity, beloved by her friends. For a number of years she instructed a class in the M. E. Sunday school and taught in the local schools for some time. She was a charter member of Chapter AK of the P. E. O., and faithfully worked in their interests. On account of failing health for some time past she was obliged to discontinue active work in the church and societies, much to the regret of the members, who realized her efficiency and appreciated her untiring efforts for their welfare.

Susie Frazier was born near Rome, N. Y., February 4th, 1875, and when a small child moved to North Bend, Neb., where she grew to womanhood. On October 16, 1902, she was married at Kearney to Dr. V. Lucas of this city, who survives her, and had resided here since that time. Other relatives left to mourn her are her sisters, Mrs. C. A. Day, of Palsade, Col., and Mrs. Charles Hoffhine, of Cheyenne, and an adopted daughter Mrs. Florine Reynolds. The funeral services will be held at the residence tomorrow afternoon at 2:30, conducted by Rev. B. A. Cram.

## RECRUITS ARE BADLY WANTED AT LINCOLN

The general recruiting officer at Lincoln called up The Tribune editor by telephone at one o'clock last night and desired him to express to the public the need of recruits for Co. E, the North Platte company. Twenty men are needed to fill the company's strength and these must respond at once if the company is to be mustered into the service. He further stated that the Fifth regiment is short an even hundred men of its full complement.

The signal corps of the Nebraska Guard has been mustered in and will go to the border at once. The Fourth regiment is full and will be mustered in probably today or tomorrow, and Adjutant Gen. Hall is particularly anxious that the 100 men needed for the Fifth regiment be quickly supplied so that it may be inspected and mustered into service.

## Calls for Volunteers

Secretary Fisher, of the Chamber of Commerce, wants volunteers for work at the city park Thursday afternoon. These men are needed to erect a temporary band stand, build bleachers, tables for the watermelon feed and benches. All those who will give their services are requested to meet at the Chamber of Commerce headquarters at one o'clock Thursday afternoon. Those who cannot devote the afternoon can give their time after supper Thursday evening. This labor is for the Fourth of July celebration—if you can help, please do.

## Decorate Business Houses.

It is the desire of the committee on the 4th of July celebration that every store and place of business be decorated, also that every home put up flags on that day, so that the people of the different towns can see that the people of North Platte are patriotic and alive. The committee also desire that every person owning an automobile or vehicle decorate it and take part in the parade.

As there will be prizes for floats, automobiles and vehicles, the committee desire that you notify the Chamber of Commerce or Mr. W. J. Tiley in order that you may be entered in the right class.

## Locals Win From Hastings

The local ball team won both games with Hastings, the Sunday game by a score of six to two, and yesterday's game by a two to one score. In Sunday's game, which was witnessed by one of the largest crowds of the season, there were a number of brilliant plays and the game throughout was full of ginger. Each team secured nine hits. Todenhoft twirling for the locals.

Yesterday's game was one in which the strain on the fans was intense, for it was a real ball exhibition from start to finish. Murphy, of the local round house team pitched for North Platte and kept the visitors down to two hits, while North Platte secured three safeties off the visiting twirler.

## FOURTH OF JULY PROGRAM HAS BEEN COMPLETED

The program for the Fourth of July celebration has been completed and will be published in detail in Friday's issue. The forenoon and evening program will be held on the south side, the afternoon program at the city park on the north side. The parade will start at eleven in the forenoon from the southwest corner of the court house square. If all who have promised take part in the parade it will be big odds be the most imposing, as well as niftiest, that North Platte has ever seen. One of the forenoon features will be a drill by seventy-five young ladies representing the United States. This will be held on Front street on the depot grounds. All the races will be held at the city park and will begin at 1:30 in the afternoon, and the watermelon feed will be held at the same place at three o'clock. At four o'clock there will be a ball game at the south side park between the Cleaners and Dyers team of Lincoln and the North Platte team. At seven there will be a military drill at the court house square, a band concert from 7:45 to 9, and the day will close with a dance at the Lloyd opera house.

## THIRTY CARS START OUT ON THE SILO TRIP

Thirty cars, filled with about 125 farmers, their wives and business men, left this morning on the first of the silo-dairying and get-acquainted trips. About one-half the cars were from the country surrounding town and four were from Hershey. Other than the business men who drove their cars, all the occupants were farmers, evidence of the interest the latter are showing in this move inaugurated by the Chamber of Commerce. In addition to the cars occupied, several empty cars followed and these will pick up farmers along the route and take them along the remainder of the trip.

The route today is to the Haspel dairy farm, thence to the Strollberg farm at Birdwood, thence to Scott Reynolds' to Abercrombie's, to Henry Stevens' where the lunch will be eaten. Thence to Pettit's sheep farm, to E. M. Robbins' farm, to A. S. Gregg's place, to Claus Mylander's, to Doolittle's, to the state farm and thence home.

Enroute the party will be joined by several farmers with their cars filled with neighbors.
